MAXIMUM MARKS :30

ANSWER ALL QUESTIONS

Analysis Skills

1. (a) Read the following passage and answer the questions :

Duration wanted to know exactly what tells an insect eating plant like the common sundew to close its leaves when a fly settles on it. So he was going through the possible causes methodically one by one. Noise was not a likely cause ; but it might just have worked and Darwin is not the man to rule out anything. He had tried sand and water and bits of hard-boiled eggs, and now he was trying Frank's bassoon. Darwin never did get to the bottom of what makes the sundew close.
